

Goods and Ornaments Report for the Calendar Year 2010

In the course of the year we took delivery of a red Holy Communion set, green and white lectern hangings and Communion linen as budgeted for, as well as of a violet Holy Communion set financed as a memorial to a young City executive who died at the end of 2009.

In the autumn the Parish Clerks of St. Margaret's presented the church with Holy Communion cruets and a lavabo jug and bowl to mark the Rector's completion of 10 years as incumbent.
